

MOTHER OF MERCY MONTESSORI PERMISSION SLIP

Fostering a Civilization of Love

November 11, 2024

Dear Parents,

Grace and Peace of Christ to you! We would like to inform you that the Maternal and Child Health Department of the Central Health Region will visit Mother of Mercy Montessori to administer necessary vaccines and micronutrients to the children on November 14 or 15, 2024.

If your child is due for any vaccinations or vitamins, this is a great opportunity to ensure they are up to date with their health needs. Kindly attach an updated copy of your child's vaccination card and submit it along with the form. If you have any concerns or questions, or if you would like to opt out of the vaccination/vitamin program for your child, please let us know.

You may reach out to the Lead Guide of your child's division for further details or to discuss any specific health requirements.

Thank you for your cooperation.

Sincerely,

Mrs. Karina Cano
MMM Admin.

I DO NOT give consent for my child to receive any micronutrients or vaccinations

I GIVE consent for my child to receive any micronutrients or vaccinations marked below:
